

August 29, 2019

To our valued customers:

This letter serves as your formal notification that Munters Israel is initiating the End of Life process for the following backup systems:

- RBU-3 (P/N: 916-01-xxxxx)

The RBU-3 ensured continued temperature control when a general controller failure occurred or when the house temperature readings were higher than what was set for the thermostat.

Spare parts for this product will be available for five years.

Please be aware of the following important details:

- **Last ordering** date: 15.10.2019
- **Last shipment** date: 31.12.2019
- **Spare parts** will be available until 31.12.2024

Replacement Products

- Munters Israel is replacing the RBU-3 with the RDT-5 Digital Thermostats (921-01-xxxxx). The RDT-5 provides all of the RBU-3's functionality along with many additional capabilities.

Munters Israel would like to thank the thousands of customers who have employed the RBU-3 backup systems.
