

END OF LIFE (EOL) NOTIFICATION:

ROTEM COMMUNICATOR

Notification

Rotem Communicator will be discontinued, due to its replacement by newer generation "**Communicator-2**".

The last order date: 15.10.2019

The last shipment date: 31.12 2019

The spare parts last shipment date: 31.12 2024

The alternative solution "**COMMUNICATOR-2**" is the next step up in farm control, providing an extensive alarm package along with remote access to your farms' controllers via the web. The alarm package provides vital information to you and your staff in real time regarding any event or problem that may arise on your farm through push notifications, messages, voice mail.

The desktop and smartphone application guarantees easy and user friendly access to information, such as analytics, animal performances, and equipment status.

Communicator-2 could be also connected locally to Display and Keyboard eliminating by that a need for local PC.
